Welcome aboard

I am pleased to launch our new 2017 day trip programme. We've expanded our choice of departures and destinations, retaining many old favourites but also adding a host of new destinations that will appeal to everyone.

During the forthcoming months you can choose from Family fun days, Seaside Savers, sightseeing and special interest tours, shopping excursions, flower and gardening shows and a whole lot more.

There's also a host of new features; reduced fares on most trips for senior travellers and children, a range of family tickets offering generous discounts on many tours and an affordable home pick up service if you are unable to reach one of our main joining points.

We have invested heavily in our fleet during the past twelve months and now operate the newest fleet in the Cambridge area. Please join us soon to experience travel aboard one of our luxuriously appointed Mercedes coaches. I hope we will explore the best of Britain, and the near Continent, together during the coming months.

In the pages which follow look out for Ethel, our company mascot and travelling companion! I look forward to welcoming you on board soon.

Departure times

We schedule our trips once we know where passengers are boarding; this enables us to keep pick up routes short and the time spent to a minimum.
